

Dear Romila,

It's with much appreciation and gratitude. I Sr.Elaine the Boarders mistress of Christ the king Girls' home from 2017 up now express my sincere thanks for some Rs. 125,000/= that was generously offered through Sr.Theresilda for the boarders clothes line. The concrete place which you see in the photo (Length 150' width 25 ') This places had been in a very bad condition for children for their bathing and their washing clothes, specially during the rainy season they found it very difficult to have access in this place. Though we have exceeded; your might and sacrifice had been the source and strength to start and finished our work. It looks so beautiful. Children are very happy.

May God bless and award your generosity.

Thank you

Sr.Elaine A.C
